

PRIORITIES FOR IMPLEMENTATION [DRAFT]

The following schedule sets out the proposed improvements. Local community initiatives could be crowdfunded with match-funding by the appropriate body. Some proposals may only be possible as part of new developments, some may be suitable for funding by developer contributions (when a major nearby development will have a demonstrable impact), whilst others may require private-public partnerships (PPP) or infrastructure investments - linked to wider county or national objectives (Levelling Up, Sustrans, Sport England, Net Zero, etc.).

The cost column is not exact, it is simply a comparative scale.

	Key: H High priority M Medium Priority L Low priority	COMPARATIVE COST	POSSIBLE FINANCING
H	NR 3 - Beach Green Toilet Block improvement	£,£££,£££	Private
H	TM 6 - Better use of Carparks – solar carports	££,£££	PPP / Gov
H	TM 2 - Safe pedestrian crossing to Beach Primary School	££	WSCC
M	TM 1 - Safe pedestrian crossing to Adur Rec	££	WSCC
M	CF 2 - Community Sports Area - MUGA / pump track / other	££,£££	PPP
M	GB 1 - Local Green Space Designations	0	ADC
M	NR 1b - Functional Art in the Public Realm	£,£££	CF
L	TM 5 - Publicity and Signage - exercise loop/nature trail	£££	S106
L	TM 1.4 - Adur Recreation Ground Cycle Lane	££,£££	WSCC
L	CF 3 - Restore Shoreham Fort & Nissen Hut	£,£££,£££	
L	ASPIRATION: New walkway & cycle path attached to existing railway bridge between Adur Rec/Airport and Ropetackle North.	£,£££,£££	?

i

This table helps us decide what is most likely, versus least likely to be deliverable within the Plan period.

The least viable and lowest priority projects may be listed as ‘aspirations’ and will not be subject to referendum
